Chairman of the General Election Commission

- Lead and manage the general election process (election of chairman and deputy chairman of the association) and organize election events optimally

Student Executive Board - Del Institute of Technology Jul 2023 - Dec 2024

Member of Design Division, Department of Communication and Information

- Create designs for social media posts, twibbon, recap posts, posters, greeting posts.

SKILLS AND OTHER

Skills:

- Math and Algorithm
- Creative design
- Problem Solving
- Good Communication
- Leadership

Programming Language:

- JavaScript
- PHP
- JAVA
- SQL
- C
- Python

Software Skill:

- Visual Studio Code
- Git
- SQLYog
- Figma
- Photoshop
- Blender
